GE = General Education course.
 Grade of "C" or better required for each course in the LT degree.

Notes:

*** Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AAL/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AAL/ASLT degree.
